(1) GENERAL MANDATES TO ISSUE NEW SHARES AND/OR RESELL
TREASURY SHARES AND TO REPURCHASE SHARES;
(2) RE-ELECTION OF RETIRING DIRECTORS;
AND
(3) NOTICE OF ANNUAL GENERAL MEETING

INTRODUCTION

The purpose of this circular is to give you the notice of Annual General Meeting and the following proposals to be put forward at the Annual General Meeting: (a) granting of the General Mandate to issue new Shares and/or resell treasury Shares and the Repurchase Mandate to repurchase Shares; and (b) re-election of the retiring Directors.

LETTER FROM THE BOARD

GENERAL MANDATE TO ISSUE NEW SHARES AND/OR RESELL TREASURY SHARES

In order to ensure flexibility and give discretion to the Directors, in the event that it becomes desirable for the Company to issue any new Shares and/or resell any treasury Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for the General Mandate to issue new Shares and/or resell treasury Shares. At the Annual General Meeting, an ordinary resolution numbered 4(A) will be proposed to grant the General Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with new Shares and/or to sell or transfer treasury Shares not exceeding 20% of the number of issued Shares (excluding treasury Shares) as at the date of passing of the resolution in relation to the General Mandate.

As at the Latest Practicable Date, 7,303,738,572 Shares have been fully paid. Subject to the passing of the ordinary resolution numbered 4(A) and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to issue new Shares and/or resell of treasury Shares for a maximum of 1,460,747,714 Shares.

In addition, subject to a separate approval of the ordinary resolution numbered 4(C), the number of Shares repurchased by the Company under ordinary resolution numbered 4(B) will also be added to extend the General Mandate as mentioned in ordinary resolution numbered 4(A) provided that such additional value shall represent up to 10% of the number of issued Shares (excluding treasury Shares) as at the date of passing the resolutions in relation to the General Mandate and Repurchase Mandate.

REPURCHASE MANDATE TO REPURCHASE SHARES

In addition, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the number of issued Shares (excluding treasury Shares) as at the date of passing of the resolution in relation to the Repurchase Mandate.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the proposed Repurchase Mandate is set out in Appendix I to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

RE-ELECTION OF RETIRING DIRECTORS

Pursuant to article 84 of the Articles of Association, Mr. LU Sung-Ching, Ms. HUANG Pi-Chun and Mr. CHAN Wing Yuen Hubert shall retire by rotation, and being eligible, offer themselves for re-election as Directors at the Annual General Meeting.

In respect of the proposed re-election of Mr. CHAN Wing Yuen Hubert, an independent non-executive Director, the Company has received from Mr. CHAN Wing Yuen Hubert a confirmation of independence pursuant to Rule 3.13 of the Listing Rules. Mr. CHAN Wing Yuen Hubert is not involved in any executive management of the Group. Taking into account the above, the Board considers Mr. CHAN Wing Yuen Hubert to be independent under the Listing Rules.

LETTER FROM THE BOARD

The Board is also of the view that Mr. CHAN Wing Yuen Hubert would bring to the Board his own perspective, skills and experience, as further described in the details set out in Appendix II to this circular.

Based on the board diversity policy adopted by the Company, the Board considers that Mr. CHAN Wing Yuen Hubert can contribute to the diversity of the Board, in particular, with his strong educational background and professional expertise in the area of business management.

Details of the above retiring Directors who are subject to re-election at the Annual General Meeting are set out in Appendix II to this circular in accordance with the relevant requirements of the Listing Rules.

RE-APPOINTMENT OF AUDITORS

In accordance with Rule 13.88 of the Listing Rules, an ordinary resolution will be proposed at the Annual General Meeting to re-appoint PricewaterhouseCoopers (“PwC”) as auditors of the Company to hold office from the conclusion of the Annual General Meeting until the next annual general meeting of the Company and to authorise the Board to fix their remuneration for the year ending December 31, 2026.

The estimated audit fee payable to PwC for the annual audit of the consolidated financial statements of the Company and its subsidiaries for the financial year ending December 31, 2026 is expected to be in the range of approximately US\$3,300,000 to US\$3,565,000 (exclusive of out-of-pocket expenses and interim review performed by PwC). The estimated audit fee has been determined after consideration and arm’s length negotiations between the Company and PwC, taking into account, among other things, the historical audit fee agreed by the Company and PwC, the size, nature and complexity of the Group’s business operations, the expected scope of the audit, the audit timetable, and the level and mix of professional staff to be deployed. The estimated audit fee is based on the assumption that there will be no material change in the Group’s operations, accounting policies or regulatory environment during the financial year ending December 31, 2026 and no unforeseeable circumstances which would render the estimated audit fee unfair and unreasonable.

NOTICE OF ANNUAL GENERAL MEETING

Set out on pages 14 to 19 of this circular is the notice of the Annual General Meeting at which, *inter alia*, ordinary resolutions will be proposed to Shareholders to consider and approve: (a) the granting of the General Mandate to issue new Shares and/or resell treasury Shares and the Repurchase Mandate to repurchase Shares; and (b) the re-election of the retiring Directors.

FORM OF PROXY

A form of proxy is enclosed for use at the Annual General Meeting. Such form of proxy is also published on the website of the Stock Exchange (www.hkexnews.hk). Whether or not you intend to attend the Annual General Meeting, you are requested to complete the form of proxy in accordance

LETTER FROM THE BOARD

with the instructions printed thereon and return it to the Hong Kong Share Registrar of the Company, Computershare Hong Kong Investor Services Limited, at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong not less than 48 hours before the time fixed for holding the Annual General Meeting (i.e. before 10:00 a.m. on May 24, 2026) or any adjournment thereof. Completion and return of the form of proxy shall not preclude a Shareholder from attending and voting in person at the Annual General Meeting if they so wish and in such event the form of proxy shall be deemed to be revoked.

VOTING BY POLL

There is no Shareholder who has any material interest in the proposed resolutions, therefore, save as disclosed below, none of the Shareholders are required to abstain from voting at the Annual General Meeting. For the avoidance of doubt, holders of treasury Shares, if any, shall abstain from voting at the Annual General Meeting in connection with such treasury Shares, and the trustee holding unvested Shares of the Company's restricted share award schemes shall abstain from voting at the Annual General Meeting in accordance with Rule 17.05A of the Listing Rules.

Pursuant to Rule 13.39(4) of the Listing Rules and article 66(1) of the Articles of Association, any resolution put to the vote of the Shareholders at a general meeting shall be decided on a poll except where the chairman of the general meeting, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, each of the resolutions set out in the notice of the Annual General Meeting will be taken by way of poll.

On a poll, every Shareholder present in person or by proxy or, in the case of a Shareholder being a corporation, by its duly authorised representative, shall have one vote for every fully paid Share of which he/she is the holder. A Shareholder entitled to more than one vote needs not use all his/her votes or cast all the votes he/she uses in the same way.

RECOMMENDATION

The Directors consider that the proposed resolutions for the granting of the General Mandate to issue new Shares and/or resell treasury Shares and the Repurchase Mandate to repurchase Shares and the re-election of the retiring Directors are in the interests of the Group and the Shareholders as a whole. The Directors therefore recommend that the Shareholders vote in favour of all the resolutions to be proposed at the Annual General Meeting.

Yours faithfully
By order of the Board
FIT Hon Teng Limited*
LU Sung-Ching
Chairman of the Board

* *Incorporated in the Cayman Islands with limited liability under the name Foxconn Interconnect Technology Limited and carrying on business in Hong Kong as FIT Hon Teng Limited.*

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares was 7,303,738,572 Shares of nominal value of US\$0.01953125 each which have been fully paid. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 730,373,857 Shares which represent 10% of the issued Shares (excluding treasury Shares) during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the passing of an ordinary resolution by Shareholders in a general meeting of the Company revoking or varying such mandate.

REASONS FOR AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to repurchase its Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

Repurchase of the Shares must be funded out of funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases with profits of the Company or out of a new issuance of shares made for the purpose of the repurchase or, if authorised by the Articles of Association and subject to the Companies Act, out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles of Association and subject to the Companies Act, out of capital.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors believe that if the Repurchase Mandate is exercised in full, it may not have a material adverse impact on the working capital and/or gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Group as at December 31, 2025, being the date to which the latest published audited consolidated financial statements of the Group were made up. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

GENERAL

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective close associates (as defined in the Listing Rules), have any present intention if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

The Directors will exercise the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

No core connected person of the Company (as defined in the Listing Rules) has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

Neither this explanatory statement nor the proposed Repurchase Mandate has any unusual features.

TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Hon Hai, through its wholly-owned subsidiary of Foxconn (Far East) Limited (a company incorporated in the Cayman Islands) which in turn owns all the issued shares of Foxconn (Far East) Limited (a company incorporated in Hong Kong), was interested in 5,179,557,888 Shares, representing approximately 70.92% of the issued Shares.

In the event that the Directors should exercise in full the Repurchase Mandate, the shareholding of Hon Hai in the Company will be increased to approximately 78.80% of the issued Shares. To the best knowledge and belief of the Directors, such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code for Hon Hai to make a mandatory offer. The Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any purchase by the Company of its Shares.

The Listing Rules prohibit a company from making a repurchase on the Stock Exchange if the repurchase would result in the number of such company's listed shares which are in public hands falling below the applicable prescribed minimum threshold for that company under Rule 13.32B of the Listing Rules. In this respect, as the Company has relied on the Alternative Threshold (as defined under Rule 13.32B(2) of the Listing Rules) with effect from January 1, 2026, the applicable minimum threshold for the Company is that its total issued Shares in public hands must (a) have a market value of at least HK\$1,000,000,000; and (b) represent at least 10% of the total number of issued Shares (excluding treasury Shares). The Directors do not propose to repurchase Shares which would result in less than the applicable prescribed minimum percentage of Shares in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

Subject to compliance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands, the Company may cancel any Shares it repurchased and/or hold them as treasury Shares following settlement of the repurchases, subject to, amongst others, market conditions and the Company's capital management needs at the relevant time of the repurchases.

The Company may hold Shares repurchased by the Company as treasury Shares which remain deposited with CCASS either (i) pending withdrawal from CCASS and registration in the name of the Company or (ii) re-deposited into CCASS and pending resale on the Stock Exchange. For any Shares repurchased by the Company as treasury Shares which remain deposited with or have been re-deposited into CCASS pending resale on the Stock Exchange, subject to the Directors' approval, the Company will adopt appropriate measures to ensure that it would not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the relevant laws if those Shares were registered in the Company's own name as treasury Shares. Such measures may include, for example, an approval from the Directors that (i) the Company shall not, and shall procure its broker not to, give any instructions to HKSCC to vote at general meetings for the treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions (if any), the Company shall withdraw the treasury Shares from CCASS, and either re-register them in the Company's own name as treasury Shares or cancel them, in each case before the record date for the dividends or distributions (as applicable).

Save for the Shares purchased by the trustee of the restricted share award schemes of the Company, no repurchases of Shares have been made by the Company during the six months prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).
